

ISKP/SKO**Skopelos****Chart pack** made by Alisoe

- *Skopelos Airfield is a small airfield known as the least visited airport in the game. However, its small size and high rocks in front of both runway ends make it a pleasant destination*
- *No type of instrument approach is provided, visual only*
- *Surface type: Grass*
- *Maximum allowed aircraft type: SF50/DHC6*
